- Three (3)** copies of Soils Report.
- Three (3)** copies of ComCheck or energy worksheet.
- Three (3)** copies of Sprinkler drawings (if applicable) in accordance with NFPA 13.
- Three (3)** copies of Fire Alarm drawings (if applicable) in accordance with NFPA 72.
- The application has been completed and signed.
- The instructions page (this sheet) has been read and signed.

### General Instructions

Upon receipt of a completed application and the required construction drawings, a code review in accordance with the adopted model Building Code will be performed by a Certified Plans Examiner . Reviews are conducted in the order they are received. A detailed list of comments ( if applicable ) will be forwarded to the applicant. The submitted construction drawings will be retained by **PCS**. Three (3) sets of revised construction documents ( if required ) as well as a corresponding response to the comments shall be submitted for a re-review. The construction drawings will only be stamped " Approved " when all code violations are corrected.

Note: The review fee includes an initial review and (1) re-review of the revised drawings. A fee in the amount of 50% of the original fee will be charged if a Third review is required. The " Approved " construction documents will not be released for permitting until all invoices are paid in full.
